

# Piano Playtime

Fun. Creative. Affordable. Convenient.

Ages 3-14

Piano Playtime offers a unique music education experience using peer group motivation and a playful approach to teach children the piano. The program reaches younger children on their level using an age-appropriate curriculum and color coded system, workbooks, songs, props, and improvisation to keep them engaged. Preschool children respond with delight to this method!

Lessons for older children include traditional studies of notation, theory, and staff music, which is easily transferable to other instruments. This approach gives students a solid foundation of musical knowledge, while balancing these concepts with a lighthearted, exciting tone to keep their attention. Elementary age children enjoy the memorable group dynamic and peer response!

Group lessons are half an hour and have no more than three students per class which is the lowest student teacher ratio available in this setting.

The lessons will be conveniently located at St. Raphael's School on Monday and Friday afternoons. Children ages 3 to 14 are welcome to participate. Tuition is \$70 per month plus a one-time \$25 registration fee for new students. Please contact Molly to register or for more information.
