10K Raffle Party Frequently Asked Questions

What is an Elimination Raffle???

An elimination raffle is a closed ended (only a set number of tickets are sold) raffle where the last ticket drawn is the winner.

How much is a ticket?

Tickets are \$100 each. The ticket is for a closed ended raffle, a MAXIMUM of 300 tickets will be sold. The odds of winning are better than 1 in 300.

What is the question at the bottom of the form about the split?

When 5 tickets remain, the lucky 5 ticket holders will have the option to split the winnings and end the raffle, ALL must agree or no split will happen. If no split happens, the option will repeat at 4 remaining, 3 remaining and 2 remaining as well. Please select yes or no, it is important as we will not contact anyone the night of the raffle for your decision.

How long will tickets be on sale??

Tickets are on sale now, until they are all gone. Please remember this is a closed ended raffle, so when the tickets are sold they are gone. A MAXIMUM of 300 tickets will be sold.
